## Press Release– November 5, 2009

Like the thrill of going somewhere very few have ever been? How about a view of a lifetime while standing 552 feet above the water? If you answered “Yes” to either of these questions, then the Mackinac Bridge Tower Tour might be for you. Pinconning Area Schools was recently awarded one “Mackinac Bridge Tower Tour Certificate” to auction off. Every year the Bridge Authority is overwhelmed with requests for the certificates. The policy is very strict, only 25 are given away each year to nonprofit organizations to raffle or auction off to raise money. Getting one is a great honor.

Pinconning Area Schools will hold a sealed bid auction to raise money for it’s High School/Middle School Academic Excellence program. Information about the bidding process and the “Tower Tours Conditions and Rules” can be found on our website at [www.pasd.org](http://www.pasd.org) under Mackinac Bridge Tower Tour. The bidding process will begin on Thursday, November 5, 2009 and end on Tuesday, November 24, 2009. The winner of the certificate will have the opportunity to schedule a tour between May 1, 2010 and October 15, 2010 and will be allowed to bring one guest.

The Mackinac Bridge is currently the third longest suspension bridge in the world. The bridge opened to traffic on November 1, 1957.

**PINCONNING AREA SCHOOLS (“DISTRICT”), ITS BOARD OF EDUCATION AND INDIVIDUAL MEMBERS, EMPLOYEES AND AGENTS EXPRESSLY DISCLAIM ALL LIABILITY IN CONNECTION WITH THIS OFFERING. BIDDER AGREES TO HOLD THE DISTRICT, BOARD, INDIVIDUAL MEMBERS, EMPLOYEES AND AGENTS HARMLESS IN CONNECTION WITH THIS OFFERING.**
